ÉQUIPEMENT

J'éprouve le besoin de voir le monde, c'est ce qui m'a fait quitter mon foyer. Je n'accorde pas d'importance aux riches ou aux gens bien-élevés. L'argent ou les bonnes manières ne sauveront personne face à un ours-hibou affamé.

TRAITS DE PERSONNALITÉ

Je dois gagner la gloire lors de batailles, pour moi même et pour mon clan

IDÉAUX

J'ai eu d'horribles visions d'un grand désastre imminent et vais tout faire pour l'empêcher.

LIENS

Je me rappelle de toutes les injures que j'ai reçues, et nourris une haine silencieuse envers tous ceux qui m'ont fait du tort.

CAPACITÉS ET TRAITS

Dark One's Blessing
Starting at 1st level, when you reduce a hostile creature to 0 hit points, you gain temporary hit points equal to your Charisma modifier + your warlock level (minimum of 1).

Hellish Resistance
You have resistance to fire damage.

Darkvision
Thanks to your infernal heritage, you have superior vision in dark and dim conditions. You can see in dim light within 18 m of you as if it were bright light, and in darkness as if it were dim light. You can't discern color in darkness, only shades of gray.

Éternel vagabond
Vous avez une excellente mémoire en ce qui concerne les cartes et la géographie, et vous pouvez toujours vous rappeler de la configuration générale d'un terrain, d'une agglomération ou d'autres agencements autour de vous. De plus, vous pouvez trouver de la nourriture et de l'eau fraîche pour vous même et jusqu'à 5 autres personnes chaque jour, à condition que la terre offre des baies, du petit gibier, de l'eau, etc.

Eldritch Invocations
In your study of occult lore, you have unearthed eldritch invocations, fragments of forbidden knowledge that imbue you with an abiding magical ability. At 2nd level, you gain two eldritch invocations of your choice. Your invocation options are detailed at the end of the class description. When you gain certain warlock levels, you gain additional invocations of your choice, as shown in the Invocations Known column of the Warlock table. Additionally, when you gain a level in this class, you can choose one of the invocations you know and replace it with another invocation that you could learn at that level.

Eldritch Invocation: Lance occulte
La portée de décharge occulte passe à 90 m.

Eldritch Invocation: Agonizing Blast
When you cast eldritch blast, add your Charisma modifier to the damage it deals on a hit.

Pact of the Tome
Your patron gives you a grimoire called a Book of Shadows. When you gain this feature, choose three cantrips from any class's spell list. While the book is on your person, you can cast those cantrips at will. They don't count against your number of cantrips known. If you lose your Book of Shadows, you can perform a 1-hour ceremony to receive a replacement from your patron. This ceremony can be performed during a short or long rest, and it destroys the previous book. The book turns to ash when you die.

Infernal Legacy
You know the thaumaturgy cantrip. When you reach 3rd level, you can cast the hellish rebuke spell as a 2nd-level spell once with this trait and regain the ability to do so when you finish a long rest. When you reach 5th level, you can cast the darkness spell once with this trait and regain the ability to do so when you finish a long rest. Charisma is your spellcasting ability for these spells.

Eldritch Invocation: Eldritch Spear
When you cast eldritch blast, its range is 300 feet.

Chance du ténébreux

Eldritch Invocation: Whispers of the Grave
You can cast speak with dead at will, without expending a spell slot.

Prestidigitation
Transmutation cantrip
Durée d'incantation : 1 action
Portée : 10 feet
Cible : See text
Composantes : V S
Durée : Up to 1 hour
Description :
This spell is a minor magical trick that novice spellcasters use for practice. You create one of the following magical effects within range: You create an instantaneous, harmless sensory effect, such as a shower of sparks, a puff of wind, faint musical notes, or an odd odor. You instantaneously light or snuff out a candle, a torch, or a small campfire. You instantaneously clean or soil an object no larger than 1 cubic foot. You chill, warm, or flavor up to 1 cubic foot of nonliving material for 1 hour. You make a color, a small mark, or a symbol appear on an object or a surface for 1 hour. You create a nonmagical trinket or an illusory image that can fit in your hand and that lasts until the end of your next turn. If you cast this spell multiple times, you can have up to three of its non-instantaneous effects active at a time, and you can dismiss such an effect as an action.

Mage Hand
Invocation cantrip
Durée d'incantation : 1 action
Portée : 30 feet
Cible : A point you choose within range
Composantes : V S
Durée : 1 minute
Description :
A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again. You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.

Minor Illusion
Illusion cantrip
Durée d'incantation : 1 action
Portée : 30 feet
Cible : See text
Composantes : S M
Durée : 1 minute
Description :
You create a sound or an image of an object within range that lasts for the duration. The illusion also ends if you dismiss it as an action or cast this spell again. If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a lion's roar, a beating of drums, or any other sound you choose. The sound continues unabated throughout the duration, or you can make discrete sounds at different times before the spell ends. If you create an image of an object—such as a chair, muddy footprints, or a small chest—it must be no larger than a 5-foot cube. The image can't create sound, light, smell, or any other sensory effect. Physical interaction with the image reveals it to be an illusion, because things can pass through it. If a creature uses its action to examine the sound or image, the creature can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the illusion becomes faint to the creature.

Thaumaturgy
Transmutation cantrip
Durée d'incantation : 1 action
Portée : 30 feet
Cible : See text
Composantes : V
Durée : Up to 1 minute
Description :
You manifest a minor wonder, a sign of supernatural power, within range. You create one of the following magical effects within range: Your voice booms up to three times as loud as normal for 1 minute. You cause flames to flicker, brighten, dim, or change color for 1 minute. You cause harmless tremors in the ground for 1 minute. You create an instantaneous sound that originates from a point of your choice within range, such as a rumble of thunder, the cry of a raven, or ominous whispers. You instantaneously cause an unlocked door or window to fly open or slam shut. You alter the appearance of your eyes for 1 minute. If you cast this spell multiple times, you can have up to three of its 1-minute effects active at a time, and you can dismiss such an effect as an action.

Représailles infernales
Abjuration 1
Durée d'incantation :
Portée : 60 feet
Cible :
Composantes : V S M
Durée :
Description :

Mage Armor
Abjuration 1
Durée d'incantation : 1 action
Portée : Touch
Cible : A willing creature who isn't wearing armor
Composantes : V S M
Durée : 8 hours
Description :
You touch a willing creature who isn’t wearing armor, and a protective magical force surrounds it until the spell ends. The target’s base AC becomes 13 + its Dexterity modifier. The spell ends if the target dons armor or if you dismiss the spell as an action.

Hellish Rebuke
Évocation 1
Durée d'incantation : 1 reaction, which you take in response to being damaged by a creature within 60 feet of you that you can see
Portée : 60 feet
Cible : The creature that damaged you
Composantes : V S
Durée : Instantaneous

You point your finger, and the creature that damaged you is momentarily surrounded by hellish flames. The creature must make a Dexterity saving throw. It takes 2d10 fire damage on a failed save, or half as much damage on a successful one.
À plus haut niveau: When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d10 for each slot level above 1st.

Unseen Servant
Invocation 1
Durée d'incantation : 1 action
Portée : 60 feet
Cible : An unoccupied space on the ground within range
Composantes : V S M
Durée : 1 hour
Description :
This spell creates an invisible, mindless, shapeless force that performs simple tasks at your command until the spell ends. The servant springs into existence in an unoccupied space on the ground within range. It has AC 10, 1 hit point, and a Strength of 2, and it can’t attack. If it drops to 0 hit points, the spell ends. Once on each of your turns as a bonus action, you can mentally command the servant to move up to 15 feet and interact with an object. The servant can perform simple tasks that a human servant could do, such as fetching things, cleaning, mending, folding clothes, lighting fires, serving food, and pouring wine. Once you give the command, the servant performs the task to the best of its ability until it completes the task, then waits for your next command. If you command the servant to perform a task that would move it more than 60 feet away from you, the spell ends.

Shatter
Évocation 2
Durée d'incantation : 1 action
Portée : 60 feet
Cible : A point of your choice within range
Composantes : V S M
Durée : Instantaneous
Description :
A sudden loud ringing noise, painfully intense, erupts from a point of your choice within range. Each creature in a 10-foot-radius sphere centered on that point must make a Constitution saving throw. A creature takes 3d8 thunder damage on a failed save, or half as much damage on a successful one. A creature made of inorganic material such as stone, crystal, or metal has disadvantage on this saving throw. A nonmagical object that isn’t being worn or carried also takes the damage if it’s in the spell’s area.
À plus haut niveau: When you cast this spell using a spell slot of 3rd level or higher, the damage increases by 1d8 for each slot level above 2nd.

Invisibility
Illusion 2
Durée d'incantation : 1 action
Portée : Touch
Cible : A creature you touch
Composantes : V S M
Durée : ConcentrationUp to 1 hour
Description :
A creature you touch becomes invisible until the spell ends. Anything the target is wearing or carrying is invisible as long as it is on the target’s person. The spell ends for a target that attacks or casts a spell.
À plus haut niveau: When you cast this spell using a spell slot of 3rd level or higher, you can target one additional creature for each slot level above 2nd.

Misty Step
Invocation 2
Durée d'incantation : 1 bonus action
Portée : Self
Cible : Self
Composantes : V
Durée : Instantaneous
Description :
Briefly surrounded by silvery mist, you teleport up to 30 feet to an unoccupied space that you can see.

Darkness
Évocation 2
Durée d'incantation : 1 action
Portée : 60 feet
Cible : A point you choose within range
Composantes : V M
Durée : ConcentrationUp to 10 minutes
Description :
Magical darkness spreads from a point you choose within range to fill a 15-foot-radius sphere for the duration. The darkness spreads around corners. A creature with darkvision can’t see through this darkness, and nonmagical light can’t illuminate it. If the point you choose is on an object you are holding or one that isn’t being worn or carried, the darkness emanates from the object and moves with it. Completely covering the source of the darkness with an opaque object, such as a bowl or a helm, blocks the darkness. If any of this spell’s area overlaps with an area of light created by a spell of 2nd level or lower, the spell that created the light is dispelled.

Fly
Transmutation 3
Durée d'incantation : 1 action
Portée : Touch
Cible : A willing creature
Composantes : V S M
Durée : ConcentrationUp to 10 minutes
Description :
You touch a willing creature. The target gains a flying speed of 60 feet for the duration. When the spell ends, the target falls if it is still aloft, unless it can stop the fall.
À plus haut niveau: When you cast this spell using a spell slot of 4th level or higher, you can target one additional creature for each slot level above 3rd.

Vampiric Touch
Nécromancie 3
Durée d'incantation : 1 action
Portée : Self
Cible : A creature within your reach
Composantes : V S
Durée : ConcentrationUp to 1 minute
Description :
The touch of your shadow-wreathed hand can siphon life force from others to heal your wounds. Make a melee spell attack against a creature within your reach. On a hit, the target takes 3d6 necrotic damage, and you regain hit points equal to half the amount of necrotic damage dealt. Until the spell ends, you can make the attack again on each of your turns as an action. At Higher Levels. When you cast this spell using a spell slot of 4th level or higher, the damage increases by 1d6 for each slot level above 3rd.

Abjuration 3
Durée d'incantation :
Portée :
Cible :
Composantes : V S M
Durée :
Description :

Speak with Dead
Nécromancie 3
Durée d'incantation : 1 action
Portée : 10 feet
Cible : A corpse of your choice within range
Composantes : V S M
Durée : 10 minutes
Description :
You grant the semblance of life and intelligence to a corpse of your choice within range, allowing it to answer the questions you pose. The corpse must still have a mouth and can’t be undead. The spell fails if the corpse was the target of this spell within the last 10 days. Until the spell ends, you can ask the corpse up to five questions. The corpse knows only what it knew in life, including the languages it knew. Answers are usually brief, cryptic, or repetitive, and the corpse is under no compulsion to offer a truthful answer if you are hostile to it or it recognizes you as an enemy. This spell doesn’t return the creature’s soul to its body, only its animating spirit. Thus, the corpse can’t learn new information, doesn’t comprehend anything that has happened since it died, and can’t speculate about future events.

Blight
Nécromancie 4
Durée d'incantation : 1 action
Portée : 30 feet
Cible : A creature of your choice that you can see within range
Composantes : V S
Durée : Instantaneous
Description :
Necromantic energy washes over a creature of your choice that you can see within range, draining moisture and vitality from it. The target must make a Constitution saving throw. The target takes 8d8 necrotic damage on a failed save, or half as much damage on a successful one. This spell has no effect on undead or constructs. If you target a plant creature or a magical plant, it makes the saving throw with disadvantage, and the spell deals maximum damage to it. If you target a nonmagical plant that isn't a creature, such as a tree or shrub, it doesn't make a saving throw; it simply withers and dies.
À plus haut niveau: When you cast this spell using a spell slot of 5th level or higher, the damage increases by 1d8 for each slot level above 4th.

Banishment
Abjuration 4
Durée d'incantation : 1 action
Portée : 60 feet
Cible : One creature that you can see within range
Composantes : V S M
Durée : ConcentrationUp to 1 minute
Description :
You attempt to send one creature that you can see within range to another plane of existence. The target must succeed on a Charisma saving throw or be banished. If the target is native to the plane of existence you're on, you banish the target to a harmless demiplane. While there, the target is incapacitated. The target remains there until the spell ends, at which point the target reappears in the space it left or in the nearest unoccupied space if that space is occupied. If the target is native to a different plane of existence than the one you're on, the target is banished with a faint popping noise, returning to its home plane. If the spell ends before 1 minute has passed, the target reappears in the space it left or in the nearest unoccupied space if that space is occupied. Otherwise, the target doesn't return.
À plus haut niveau: When you cast this spell using a spell slot of 5th level or higher, you can target one additional creature for each slot level above 4th.

Scrying
Divination 5
Durée d'incantation : 10 minutes
Portée : Self
Cible : A particular creature you choose that is on the same place of existence as you
Composantes : V S M
Durée : ConcentrationUp to 10 minutes
Description :
You can see and hear a particular creature you choose that is on the same plane of existence as you. The target must make a Wisdom saving throw, which is modified by how well you know the target and the sort of physical connection you have to it. If a target knows you're casting this spell, it can fail the saving throw voluntarily if it wants to be observed. Knowledge Save Modifier Secondhand (you have heard of the target) +5 Firsthand (you have met the target) +0 Familiar (you know the target well) −5 Connection Save Modifier Likeness or picture −2 Possession or garment −4 Body part, lock of hair, bit of nail, or the like −10 On a successful save, the target isn't affected, and you can't use this spell against it again for 24 hours. On a failed save, the spell creates an invisible sensor within 10 feet of the target. You can see and hear through the sensor as if you were there. The sensor moves with the target, remaining within 10 feet of it for the duration. A creature that can see invisible objects sees the sensor as a luminous orb about the size of your fist. Instead of targeting a creature, you can choose a location you have seen before as the target of this spell. When you do, the sensor appears at that location and doesn't move.
